**Subject:** Donation from AT&T

Good Morning

Just sending a notification that the OEMC received 3 boxes of screen wipes as a donation from AT&T. These wipes are used to clean touch screen surfaces in use on the 911 floor. Traditional anti-bacterial wipes cannot be used as they damage the equipment. The current cost of these wipes on Amazon are 12.99 a box. The total donation is valued at \$38.97.

Thank you.

Marty
